

RY 2024/2025

We, the Board of Directors of the Rotaract Club of Georgetown Central, pledge to uphold and promote sustainability in all aspects of our club activities, as well as in our personal and professional lives. We commit to:

1. Reducing Our Carbon Footprint

- Limiting energy consumption by turning off electronics and appliances when not in use.
- Adopting sustainable transportation options where practical, such as carpooling or using public transport.

3. Prioritizing Recyclables

- Ensuring that eco-friendly considerations are made when purchasing materials for club activities.
- Where practical, purchase materials and products that are recyclable, biodegradable, organic, and/or sustainable.

2. Embracing Reusables

- Using reusable water bottles and cups to reduce plastic waste.
- Using reusable bags to minimize single-use plastics.

4. Advocating for Climate Action

- Raising awareness about environmental issues.
- Collaborating with like-minded organizations to protect our environment.

We believe that small actions can lead to a big impact. Together, we commit to making a positive difference for our planet.
